

# **TYPHOID EPIDEMIC NOW UNDER CONTROL**

There are now 256 cases of typhoid fever under observation by inspectors of the Health Department. These include fifteen reported in the last twenty-four-hour record of the department. Commissioner Ernest J. Lederle found satisfaction in this small number of new cases, less than half as many as were reported in the twenty-four hours preceding.

Commissioner Lederle still believes that the original infection came from the raw milk of what is known as Grade B quality, and since this has been excluded from the city he looks for a speedy termination of the epidemic. He believes that many of the cases appearing now are the result of infection prior to the exclusion of the suspected milk and some few perhaps to infection as the result of association with persons already afflicted.

# **"A Perfect Woman Nobly Planned To Warn, to Comfort and Command"**

Nature never intended woman to be delicate, ailing, or a sufferer from "nerves." Women in middle age complain of "hot flashes." Many women suffer needlessly from girlhood to womanhood, and from motherhood to middle life, with backache, or headache, dizziness, faintness, or bearing-down sensations. For a permanent relief from these distressing symptoms nothing is so good as

as a soothing and strengthening nerve—stays and subdues nervous excitability, irritability, nervous exhaustion, and other distressing symptoms commonly attendant upon functional and organic diseases of the female organs. It induces refreshing sleep and relieves mental anxiety and despondency.

**The "Favorite Prescription"** is known everywhere and for over 40 years as the standard remedy for the diseases of women. Your dealer in medicines sells it in liquid or tablet form; or you can send 50-cent stamps for a trial box of Dr. Pierce's Favorite Prescription tablets. # **OLD FOLKS FIND CROXONE RELIEVES ALL KIDNEY AND BLADDER MISERIES**

**Drives Rheumatic Pains Away  
—Few Doses Relieve Back-  
ache and Bladder Disorders**

Sleep disturbing bladder weakness, backache, rheumatism, and the many other kindred ailments which so commonly come with declining years, need no longer be a source of dread and misery to those who are past the middle age of life.

Croxone relieves all such disorders because it reaches the very cause of the trouble. It soaks right into the kidneys; through the walls and linings; cleans out the little filtering glands and cells, and gives the kidneys new strength to do their work properly. It neutralizes

and dissolves the poisonous uric acid substances that lodge in the joints and muscles, causing rheumatism, and makes the kidneys filter and sift out the poisonous waste matter from the blood and drive it out of the system.

It matters not how old you are or how long you have suffered. Croxone is so prepared that it is practically impossible to take it without results. There is nothing else like it. It starts to work immediately and more than a few doses are seldom required to relieve even the most chronic, obstinate case.

An original package costs but a trifle and all druggists are authorized to return the purchase price if Croxone should fail in a single case.
